IntelliCredit: Revolutionize Credit Operations and Analysis

Annual Review *for use by your team*

Put structure, consistency and automation in place for your annual review process. Eliminate manual efforts and make the whole review easy to complete and repeat.

- **Moves the annual review process online** and out of spreadsheets
- **Follow our template** or append your preferred format
- **Brings organization and structure** so that reviewers may complete their work more efficiently
- **All reports and documents stored** and accessible in the tool

Smart Loan Review™ *for use by your team*

Accelerate your team's internal loan review process! Our solution makes reviews fast, simple, retrievable and trackable.

- **Automates entire loan review process** for end-to-end efficiencies
- **Easily captures** collateral detail, legal documents, credit data, underwriting and servicing characterizations, loan policy adherence, financial spreads and risk-grade validations
- **Real-time exception monitoring and clearing** with online access for the entire team – a huge time saver
- **Smarter sampling based on your criteria** rather than random selections

Portfolio Analyzer *for the entire team*

Quickly access insightful analysis of your institution's credit portfolio and individual loans. IntelliCredit has done all the hard work so you can bring credit intelligence to your team.

- **Automatically uploads your core system data** and turns it into real-time portfolio analysis, trends, charts, graphs, visuals, reports
- **Identifies hotspots in portfolio subsets such as industries, loan types, collateral**, etc. to get ahead of risk
- **Drill-down capabilities take you to loan-by-loan data** and status
- **Push-button management/board reports** with a powerful custom report builder
- **No software installation or integration** required

Smart Loan Review™ Service *performed by our experts*

Only IntelliCredit brings career credit experts and an online real-time portal to conduct thorough, transparent and efficient reviews — with a lot less hassle.

- **Expert credit review** by professionals with decades of experience (unlike junior CPAs)
- **Document review** by paralegal specialists is included
- **Online portal lets you track progress as it happens, 24/7**, for easy collaboration
- **Immediate visibility** of each write-up, exception and risk-grade change
- **Real-time exception monitoring and clearing** that slash review durations for the entire team
- **Optimizes staff time and work** as faster reviews reduce disruptions and involve fewer resources

“We believe the IntelliCredit team has put together the **most innovative, efficient and affordable credit review process** we've seen. It certainly helps that they've developed this solution using their **deep credit experience** working with community bankers.”

Ed Cooney, CEO,
Affinity Bank
